THE PROBLEM

THINK ABOUT THE LAST SLICE YOU BOUGHT.

- ✕ Under a heat lamp.
- ✕ The same slice as last week.
- ✕ Gone in four bites.

SOLUTION, STILL OPEN

3 QUESTIONS TO ANSWER.

1. Which slices do people actually want to buy again?
2. Is about $6.50 the right price for a giant slice?
3. Can a weekly pickup sell 30 slices, our break-even?
